A TYPICAL DAY IN THE LIVES OF THE STARS AT DHS

Students, like movie stars, lead fascinating, unique lives. They have their own versions of camera fright, artistic snits, cast parties, opening night jitters, and screen tests. A student's life begins bright and early with a wake-up call around 6:00 am and does not end until the last algebra problem is done. In the following frames, these selected 'stars' of Downey High reenact the events of a typical day.

As the alarm rings, Julie Pierini and friend rise from their shared pillow ready to begin an exciting day.

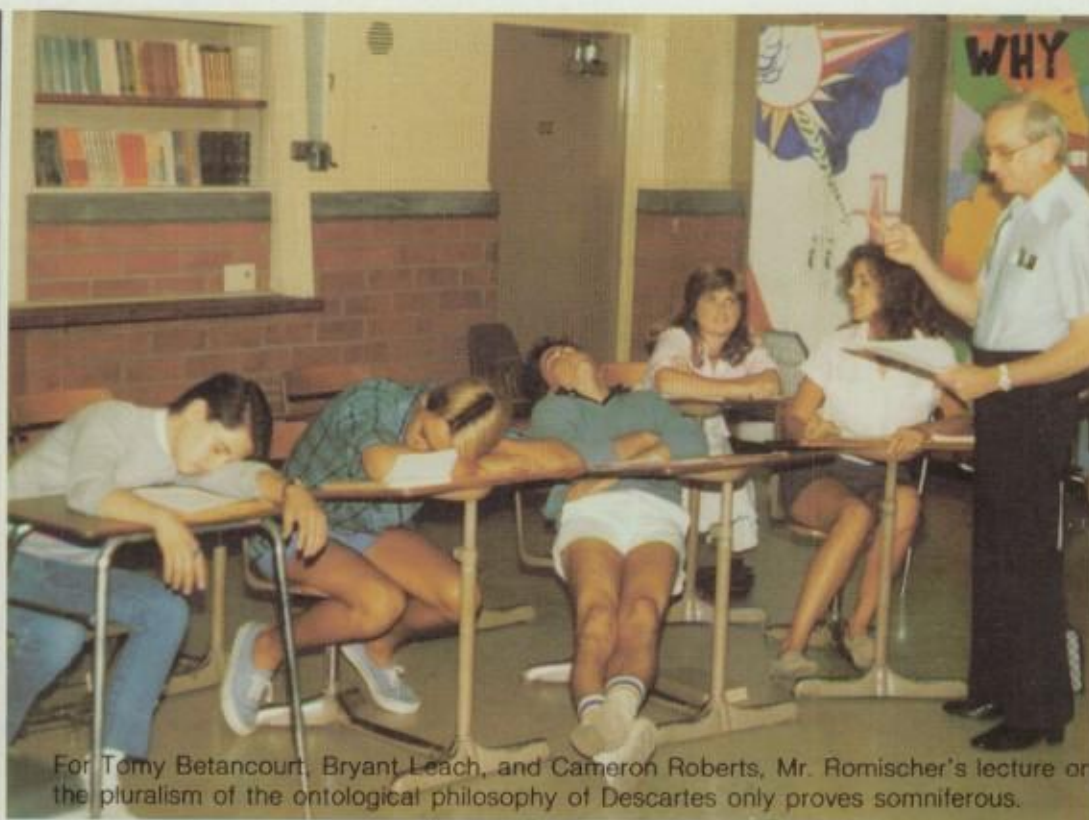

Kim Crook, relaxing with a chilled glass of sparkling apple cider, knows how to prepare for the day.

Lynne Stokoe climbs into a chauffeured limo headed for DHS.

Usually very calm, Mary Ann Wall is surprised by the onrush of her fans.

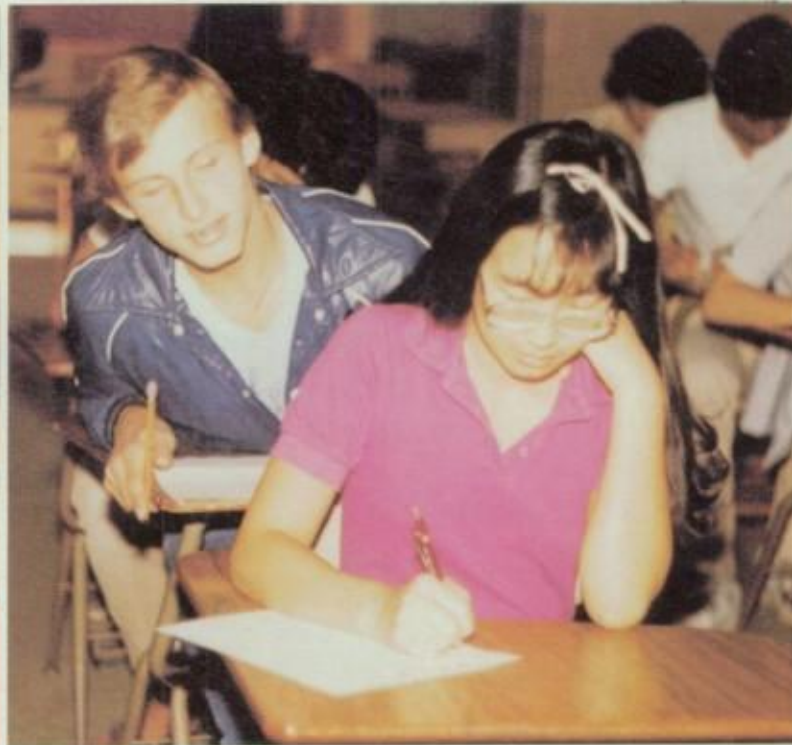

For Tomy Betancourt, Bryant Leach, and Cameron Roberts, Mr. Romischer's lecture on the pluralism of the ontological philosophy of Descartes only proves somniferous.

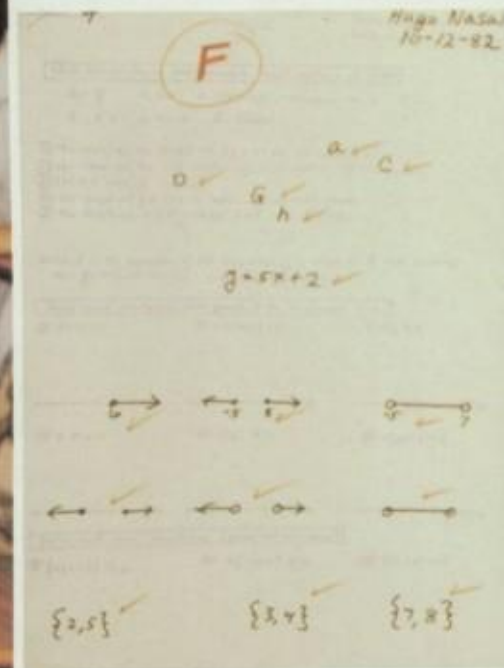

Tom Furnish should not have forgotten his book cover!

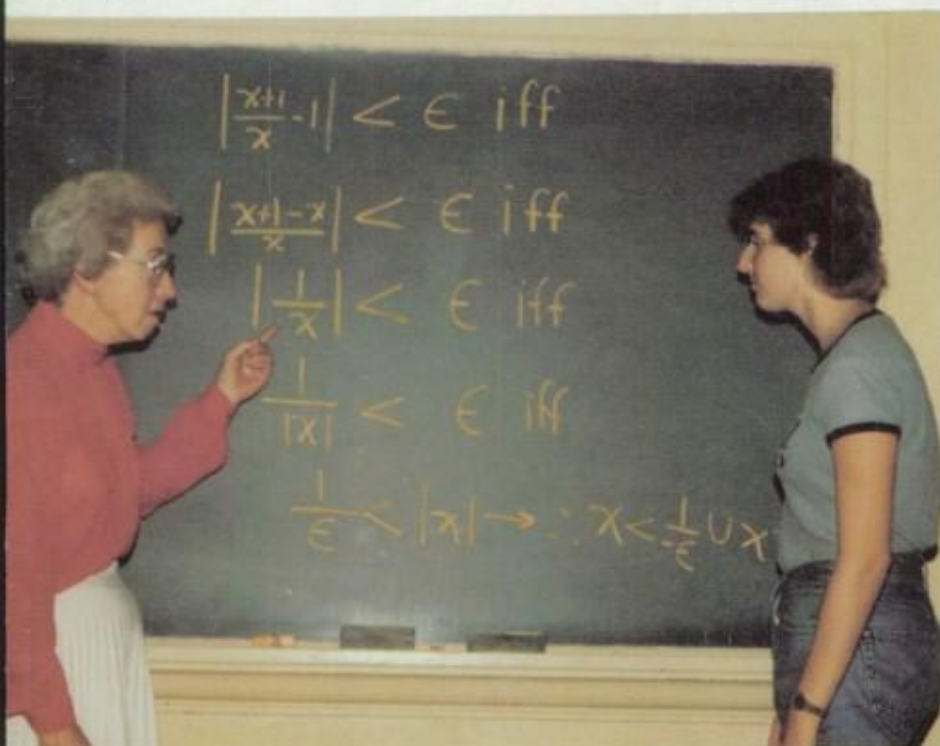

"But all I did was press the 'return' key!" gasps Annette Drummond.

Chris Honetschlaeger (alias Hugo Nasal) takes a look at Lucy Kim's paper.

Well, maybe he should have looked somewhere else.

Mrs. Sherman asks Eli Steiner, "What do you mean you understand everything but where the 'x' comes from?"

Paul Valdez will certainly get an 'A' in lunch.

Obviously, Tom Lonergan enjoys every minute of school and prays it will never end.

The teachers have not been kind to Eric Reifschneider.

After a hard day at school, Robert Khzouz hopes that one of those will take care of his headache, permanently.

MONICA JUNGSUN KIM
Liberal Arts

The Bank of America annually sponsors academic awards presented to deserving seniors. These students during their tenth, eleventh, and twelfth years, must have completed thirty semester hours and are considered the outstanding students in their appropriate fields. They must also have an overall GPA of not less than 3.0. A faculty committee selects outstanding students in specific fields. General field winners at each school receive personally engraved achievement award plaques and become eligible for the program's competition.

Final first place winners in each field earn the top award of \$2000, with the second place student winning \$1000 and the third place finisher receiving \$750. All other finalists earn \$500 fourth place awards.

The top students are chosen in the three general study fields of Fine Arts, Liberal Arts, and Science and Mathematics.

PARTING IS SUCH SWEET SORROW

Mary Allard was born in Tulsa, Oklahoma. She first became interested in business when she took business courses in high school. She later went on to take classes in accounting and secretarial work at various junior colleges. Mrs. Allard began working in the Downey district in 1956. Her first job was teaching in the adult school for nine years. In 1966, she began working as our bookkeeper and has held that position for seventeen years.

Mrs. Allard decided to retire due to health reasons. During her retirement, she plans to travel and spend time with her four children, three boys and one girl, and four grandchildren. In May, she and her husband are going to the British Isles where they will visit England, Scotland, Ireland, and Wales. She also plans to enjoy her favorite hobbies: sewing, crocheting, and reading.

Mrs. Allard and all her valuable services will be missed a great deal by both faculty and students.

Jack Lohman was born in Pittsburgh, Pennsylvania. He obtained his degree at the University of Pittsburgh. Mr. Lohman's teaching career has spanned thirty-two years. Beginning in Rockwood, Pennsylvania in 1948, he taught at a small school that had a Senior class of thirty-eight students. There he taught Civics, History of Pennsylvania, World History, Problems of Democracy, and Spanish. In 1951, he came to South Junior High. Social Living, History, English, and 7th Grade Reading were among the subjects he taught. When South changed to a Middle School in 1975, Mr. Lohman began his teaching career at Downey High, where he taught Middle Ages and Early Man.

Mr. Lohman has four children, two boys and two girls. Along with spending time with his children during his retirement, he also plans to enjoy his favorite hobby, photography. He would also like to travel more in the United States, visiting the New England states and other parts of California. Mr. Lohman would like to return to England for a visit too.

We wish him the best of luck in the future and we will miss him.

Fred Pearson was born in Whittier, California. He began his education at Washington Jefferson College in Pennsylvania. From there he continued at Bethany College in West Virginia and then graduated from Whittier College in his home town. He's been teaching high school for thirty-four years. At Big Bear High School, where he first started teaching, he was head of the Math and Science Department. The subjects he taught ranged from Algebra, Geometry, General Science, and Physics to World History. In 1950, he began his teaching career at Downey High, where he has taught World Geography, U.S. History, Senior Problems, and Government.

Because times are good for Mr. Pearson at the present, he feels that now would be the best time for him to retire. Mr. Pearson has four children, three girls and one boy, all of whom are married. After his retirement he plans to move to Oregon, where he expects the arrival of a new grandchild in September. Along with enjoying his grandchild, Mr. Pearson plans to pursue his favorite hobbies: golf, tennis, and bridge.

We will miss him greatly and wish him a happy retirement.

CALIFORNIA SCHOLASTIC

In order to join CSF (California Scholastic Federation), students must achieve a total of ten points on the CSF grading scale. In this scale, each "A" is worth three points and each "B" is worth one point. The classes students take must rank high academically and only the hardest workers attain CSF membership.

To become a CSF Sealbearer, a student must qualify for, and join CSF, four semesters of a possible six. Students must join between their sophomore year and graduation and one semester must be in their senior year.

GIRLS OF THE MONTH

Girls' League sponsors the "Girl of the Month" program so that remarkable girls may receive recognition for their hard work and dedication. A committee, composed of faculty and administration members, selects the girls on the bases of their leadership, scholastic, and service achievements. The most outstanding "Girls of the Month" are selected "Girls of the Year".

GIRL OF THE YEAR ANH NGUYEN

Anh, who is also Girl of the Month for November, has been an active, concerned member of Les Torchères, Girls' League, Math Club, Science Club, CSO, and CSF. Her studies concentrate on the sciences. After graduation, Anh plans to study biology at UCI and to later become a doctor.

GIRL OF THE YEAR ERIN COUGHLIN

Erin, who is also Girl of the Month for February, has been an outstanding participant on the softball and basketball teams. She was chosen as the Girls' State Representative in 1982. She has volunteered at the City of Hope and Rancho Los Amigos Hospital. After graduation, Erin plans to study political science at either UCLA or UCI and to later become a lawyer.

GUYS OF THE MONTH

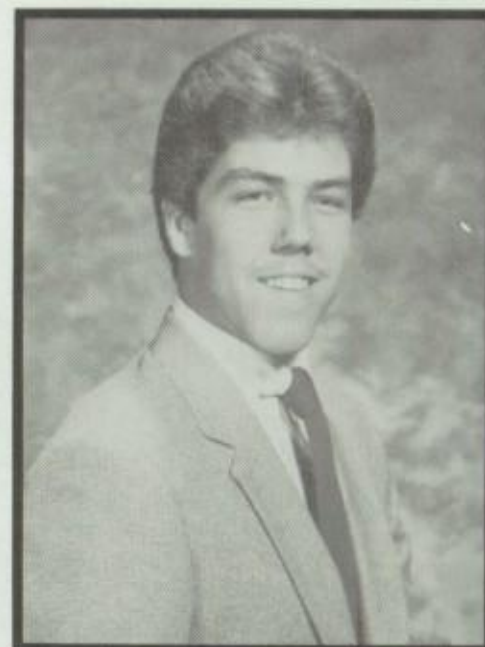

OCTOBER

The Interact Service Club has enacted and sponsored the "Guy of the Month" program. The club and the school administration choose a recipient for this honor on the bases of the individual's merit, activities, leadership skills, and service. The most outstanding "Guy of the Month" is selected "Guy of the Year."

YEAR
TROY
HARRIS

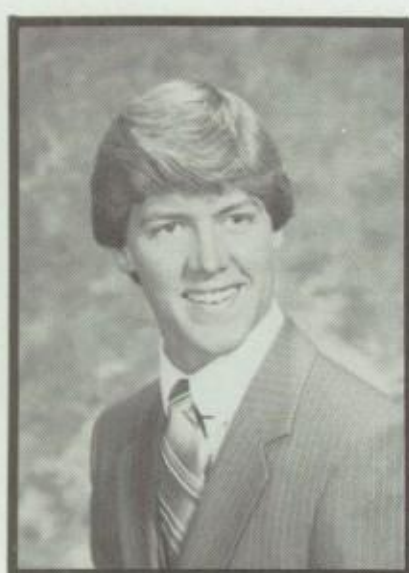

Troy Harris, who is also the guy of the month for September, is one of Downey High's finest individuals. He was chosen "Guy of the Year" for his extensive participation in Key Club, sports and musical endeavors, and service to others. He frequently donates his time to such organizations as the March of Dimes and the Rancho Los Amigos Hospital. Troy states, "the greatest opportunity of my life so far is to be honored 'Guy of the Year'." Upon graduation, Troy wishes to major in pre-law at Claremont-McKenna.

The 1982 football season was full of thrills as the Viking Varsity had another successful year. Although the critics expected them to place no more than fourth in the San Gabriel Valley League, the Vikings proved the critics wrong by placing second in league and going on to the CIF playoffs.

In their home opener, the Vikings fell to St. John Bosco, 21-0. In the next preseason game, the Vikes lost to Bell Gardens, 49-12, but their spirit was not broken. Utilizing the Vikes to their own best advantage, Coach Elrod made some adjustments in both the offense and the defense. The Vikings then concluded their preseason with an outstanding win over Santa Fe, 27-0.

The Vikings opened the SGVL season on the "Hill" against Paramount. Downey upset the highly ranked Pirates with an impressive victory, 19-8. Riding on the crest of a two game winning streak, the Vikes then took on the much improved Cerritos Dons. This proved to be a close and highly spirited game with Downey capturing a comeback victory. Mike Herda's field goal in the last five seconds proved to be the difference and gave Downey the 24-21 victory. Downey's next opponent was the undefeated Lynwood Knights. The Vikings lost the game, 30-7, which eventually cost them the league championship.

After the Lynwood setback, Downey faced Dominguez on Homecoming night. With great determination and effort, the Vikes dished out a 21-0 loss to the Dons. The Vikings then took to the road to face Gahr. The Gladiators presented themselves as minor obstacles on the field as seen by the final score, 29-7. In the final league game, Downey faced Warren in front of over 9,000 fans at Cerritos College.

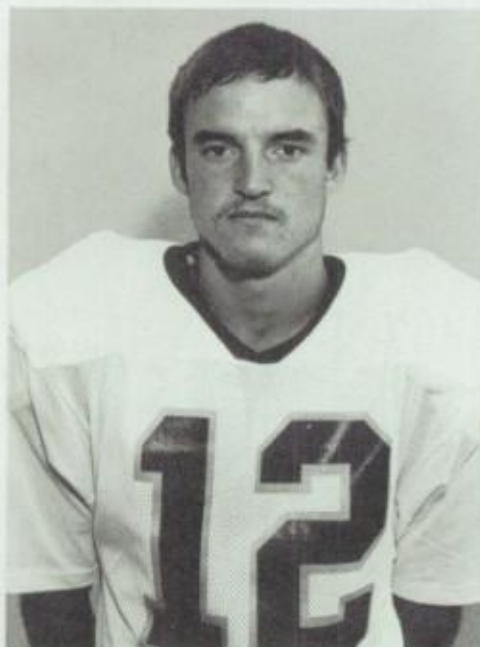

In perhaps the most exciting and dramatic game ever against their crosstown rivals, the Vikings stole the victory from the paws of the Bears in double overtime. Although Warren was leading by three points for the greater portion of the fourth quarter, Downey was able to tie the game in the final seconds with a field goal. In the second overtime, the Vikings intercepted a Bear pass. Downey then went on to win the game with a field goal, ending it 19-16. This victory placed the Vikes second in the SGVL and ensured them of a CIF playoff berth.

Even though the spirit of the Downey High crowd was with the Vikes on the "Hill", their season came to an end after the first playoff game against El Modena. The Vikes played well and lead most of the game, only to lose, 32-24. The Vikings deserved the win, but the scoreboard showed otherwise.

VARSITY RECAP

The Downey Varsity Basketball season opened on an auspicious note, with the Hoopsters capturing the Bell Gardens Tournament Championship. During the next two weeks the basketball team split its next six games, losing a tough, hard battle to Los Altos in the Covina Tournament. Upon entering league play, the Vikings sported a nine and five record. Tough luck seemed to plague the Vikings throughout league play. Many games were decided by a mere one or two points. The Vikings, with a five and seven record in league and a fourteen and twelve record overall, finished league play in fourth place.

FLASHBACKS

SNEAK PREVIEWS

What a year! The class of nineteen eighty three is one to remember. Each Senior is unique and individual and should be remembered as so. For insight into their ambitions, personalities, and opinions, the Volsung staff asked some Seniors a few questions. Here is what we asked:

Where are you going to college?
What is your ultimate goal in life?
If you could say anything to the graduating class, what would it be?

And here is what we got...

WALTER ALLEN-Univ. of Tenn.; to be an astronaut and cruise through space; "Party animals never die, they just do damage."

KIM ALMARODE-Cerritos "U"; to become rich and retire and still be with John Fox; "Farewell Class of '83, see you in ten years."

PAM BARTIGIS-Corty College; to be a veterinarian; "Congratulations to the Class of '83, see you in ten years."

LAURA BAUTISTA-CSULB; to be a nurse; "Thanks for being there."

KIMBERLY BEAT-Undecided; to graduate high school and bein living; "Aloha DHS, auf Wiedersehen, avoir, ciou, sionara, adios, and shalom."

STEVE BELTRAN-CSULB; to be successful in law; "Watch what you say, before you know it, the whole school will know it."

RAJIV BERA-UC Berkley; to achieve something in life; "It was great going to DHS."

TROY BLAKESLEE-UC Santa Barbara; to be a business executive in a large company and marry a blonde professional surfer; "Just give me an endless summer."

EILEEN BORGOGNA-CSULB; to have a mansion, a pond with ducks, a maid, and ten kids and be married to a millionaire; "It's been fun, but I'm not sorry to leave."

EUGENIE BOURGEAULT-Nursing School; to be a nurse and marry Mr. Wonderful; "Keep moving on."

VERNEL BROWN-Antioch; to be on Broadway; "When the going gets tough, the tough get going."

ANGELICA CANLAS-CSULB; to be a business woman on the go; "Good luck!"

There's only one way to get it! Call and say, "I want my MTV"

Music wasn't enough for you. Nooo!
Television wasn't enough for you. Nooo!
So we put 'em together to bring
you MTV: Music Television. Yesss! MTV
brings you the sights and sounds of
today's music—in stereo. Video music
from the top artists. Live concerts.
Music movies. Music news, reviews
and interviews. And it's all brought to
you by our VJ's. (That's "video jockey,"
as in "disc jockey".)

But the only way you're going to see
and hear MTV is by subscribing to
cable. That's it. No ifs, ands or buts
about it. You really want MTV? Then
call and let us have it.

Demand.
Command. Say,

The All American Line-Up

For years, you've enjoyed All American Peanuts at major sporting events, and now a complete line-up of All American nut products is available at your favorite store.

First Class Flavor that Doesn't Cost a Fortune!

At All American we select only the best nuts, then slowly roast them to perfection, adding just enough salt to bring out the natural nutty flavor you like. That's First Class flavor—and with All American, it doesn't cost any more to go first class.

In 6 oz. or 12 oz. tins or Unsalted or Regular in jars All American offers a complete line-up.

The next time you entertain—plain or fancy—family or friends—remember, it doesn't cost any more to go First Class with All American.
